

Shoma Group Unveils New Renderings of Eleven on Lenox.

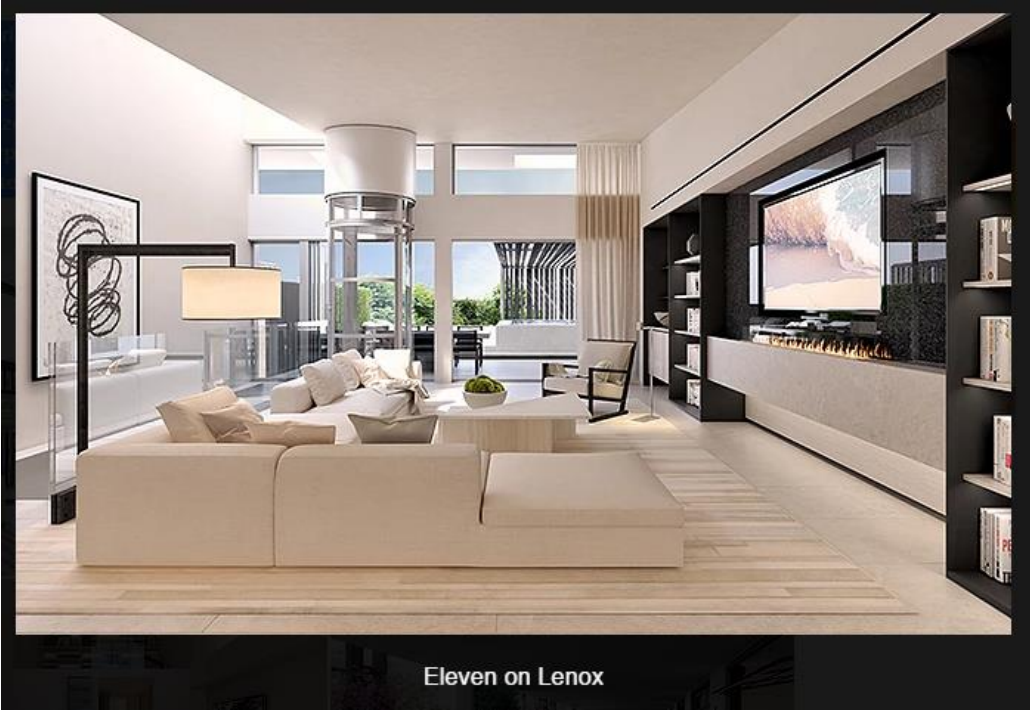

February 17, 2017

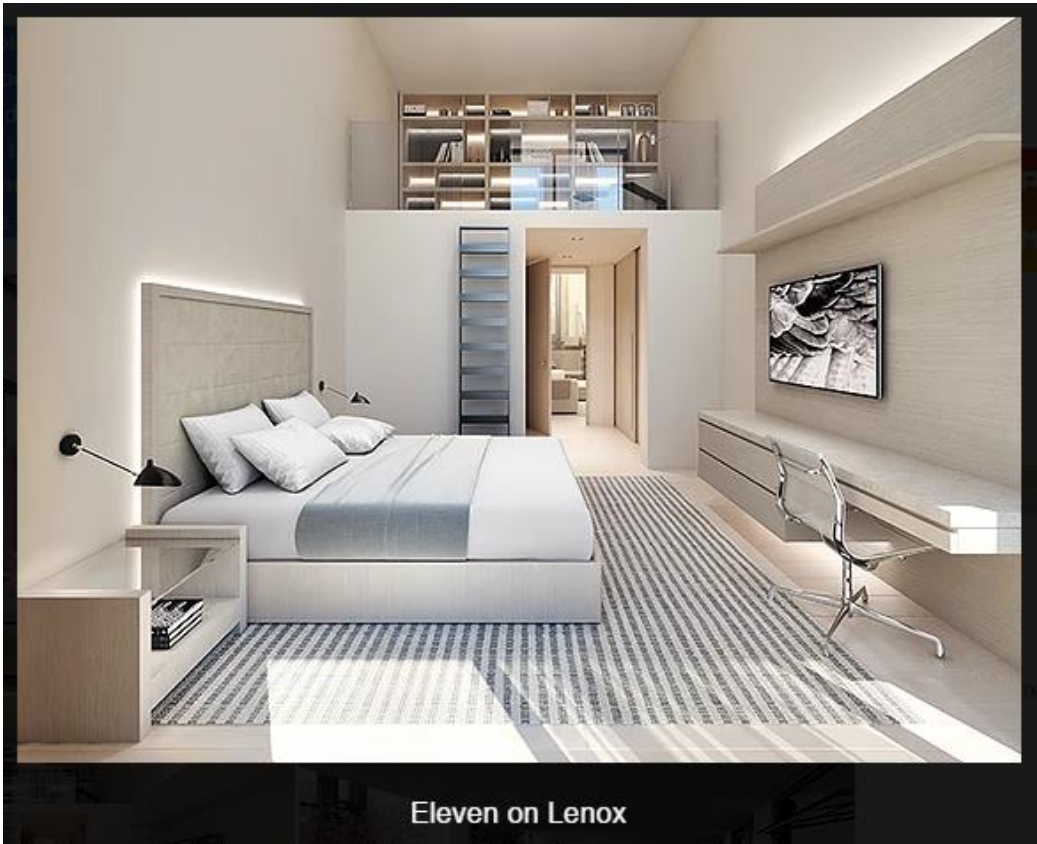

Shoma Group has just released four new renderings of its first residential project in Miami Beach –[Eleven on Lenox](#). A collection of 11 exclusive beach houses, Eleven on Lenox is a celebration of the beach house that combines the spirit of Miami Beach with the style and prestige of an exclusive address.

The new renderings depict several of the development's luxurious features, including its spacious bedrooms, den, living room, and convenient double private parking garage. Ranging from 4,403 to 4,669 square feet excluding the outside terraces and balconies, the beach houses at Eleven on Lenox are realized over three expansive floors that flow together seamlessly yet stand

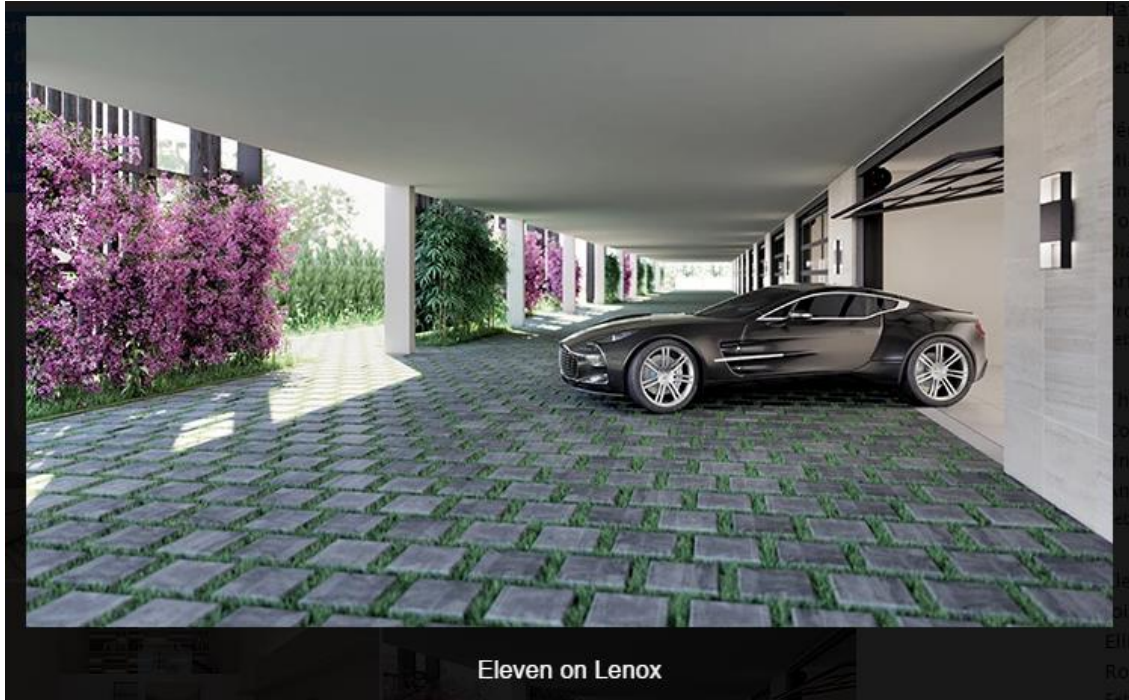

alone in beauty and purpose. Amenities include a modern summer kitchen and private pool, a glass-enclosed elevator, and a smart lighting system.
